Rare 1 Bedroom Loft Apartment to Let

Live in one of Cape Town's most iconic heritage buildings—Mutual Heights—where timeless Art Deco architecture meets modern city living. This fully furnished loft apartment offers a unique blend of historic charm and contemporary comfort in the heart of the CBD.

Originally built in 1940 as the Old Mutual headquarters, the building remains a celebrated landmark with soaring ceilings, intricate stonework, and one of the longest stone friezes in the world. The apartment itself is beautifully designed with double-volume ceilings, large prismoid windows that flood the space with natural light, and a tasteful blend of parquet flooring and sleek finishes. The layout features an open-plan kitchen and living space below, with a private loft-style bedroom above.
