The Aston Martin of Penthouses!

ON SHOW BY APPOINTMENT | SUNDAY, 3 AUGUST 2025

Set high up in Fresnaye with views forever, this recently built penthouse with top-end finishes will suit the tenant who appreciates quality. Engineered wooden floors with wall-to-ceiling windows and a different view from every window make this Mexican-inspired, minimalistic apartment unique in every way. One of only three apartments.

Downstairs is the open-plan lounge, dining room and kitchen with integrated appliances all opening to a deck with views to Robben Island.

The master bedroom is upstairs with an en suite bathroom with a freestanding bath and shower, with a balcony. The second bedroom would be ideal for a study to work from home. A second bathroom with a shower is on this level. There are clever nooks for additional storage in the apartment.

A communal lap pool...
